

UNITED NATIONS ACADEMIC IMPACT

L'Italian Diplomatic Academy è lieta di informarLa che si è da poco conclusa la trattativa che riconosce la ns. accademia parte dell'United Nations Academic Impact programme.

L'Academic Impact è una iniziativa globale che allinea gli istituti di alta formazione con le Nazioni Unite sostenendo attivamente dieci principi universalmente riconosciuti nei settori dei diritti umani, dell'alfabetizzazione, della sostenibilità e la risoluzione dei conflitti.

I dieci pilastri del ns. impegno per il United Nations Academic Impact sono:

1. A commitment to the principles inherent in the United Nations Charter as values that education seeks to promote and help fulfil;
2. A commitment to human rights, among them freedom of inquiry, opinion, and speech;
3. A commitment to educational opportunity for all people regardless of gender, race, religion or ethnicity;
4. A commitment to the opportunity for every interested individual to acquire the skills and knowledge necessary for the pursuit of higher education;
5. A commitment to building capacity in higher education systems across the world;
6. A commitment to encouraging global citizenship through education;
7. A commitment to advancing peace and conflict resolution through education;
8. A commitment to addressing issues of poverty through education;
9. A commitment to promoting sustainability through education;
10. A commitment to promoting inter-cultural dialogue and understanding, and the “unlearning” of intolerance, through education.

Con viva cordialità, La Direzione.
